About our turkeys

Young hen turkeys are seasoned under the skin with butter and fresh herbs. Inside the turkeys we stuff orange wedges, celery, onions, and fresh rosemary. Turkeys come in disposable roasting pans with easy cooking instructions. In approximately 2-3 hours you will have the perfect Thanksgiving centerpiece. Far more superior to a precooked, reheated bird! 12-16 lb. birds @\$3.25 per pound. Larger birds available, limited availability.
